Hi Bob,

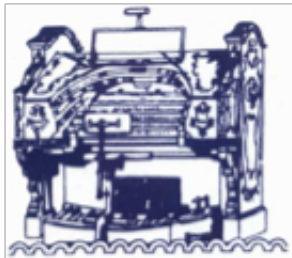

I chose to submit the report this way. Short and sweet!

I find the form type submission confusing. :-P

Best regards,
Carlton

Chairperson, ATOS Scholarship Committee

Mid Year Report – January 2015

ATOS Scholarship Committee

In 2014, the ATOS Scholarship Committee awarded each of three deserving applicants' scholarships. Our budget was \$4100.00 of which we awarded only \$2850.00.

In 2014 we now have eliminated the Category B, College level scholarship. The Scholarship now is strictly for students studying with private theatre organ teachers.

The recipients for 2014 were Daniel McCollum, Sumterville, FL, Steven Kucera, Kansas City, KS, Dan Minervini, Massapeq, NY.

To date two recipients have requested payments totaling \$1400.00.

We have also lowered the age limit back to age 22 since we have eliminated the college level scholarship.

Respectfully submitted,
Carlton B. Smith, ATOS Director
Chairman of the ATOS Scholarship Committee
