Executive Secretary's Report: (Merry)

- Current Membership is 3274.
- This is about the same number as six months ago
- The ATOS Membership Initiative supplied 106 new members which kept the attrition rate at 0 (zero).

Old Business:

6. Update from grant writer Kathy Riley

- Ms. Riley noted that ATOS does not have a physical headquarters hindering her efforts to secure grants.
- Ms. Riley reviewed the two charts that were sent to the Board regarding grant writing. (See charts attached.)
- Ms. Riley noted that if ATOS registered to do business in certain states that granting institutions would look more favorably on our grant applications.
- Ms. Riley noted in her initial investigations, some states have more to offer than others.
- Ken Double and Kathy Riley will investigate registering to do business in Georgia as an initial step in the process.

New Business:

7. Recommendation of Endowment Board of Trustees for a loan to the New York Chapter.

This loan would be used to dismantle, pack, and move a large Robert-Morton theatre organ. This organ has been offered as a donation to the Loew's Kings Theater in the New York City borough of Brooklyn. The organ console is original to that theatre.

- The New York Chapter is requesting a loan of 40,000 for the purpose of removing the organ from its present location, packing the instrument, and transporting it to a storage facility.
- John Valentino and Tom Stehle, from the New York Chapter, answered questions from the Board regarding the loan request.
- Ken Double will confer with John Valentino and report back to the Board.

The Board convened in Executive Session to consider the request.

The Board re-convened the telephone conference and reported that the request was moved back to committee to explore options and answer questions regarding costs and location.

Good of the Order:

8. Ken Double recommended that the chairs of the following events submit a short, but detailed, progress report to the Board within a week's time. COL Hartley accepted his recommendation and formally requested the following reports to be submitted within a week- May 9, 2011:

- 2011 ATOS Annual Convention: (Bob Evans)

- 2011 ATOS Summer Youth Camp: (Jonas Nordwall)
- 2011 ATOS Technical Experience: (Allen Miller)

9. Young Organist Competition Update: (Morkin)

- Tyler Morkin received only one application for this year's Young Organist Competition.
- Because only one person applied no Young Organist Competition will be held this year.
- Tyler recommended that this young person receive the George Wright Memorial Fellowship that will enable him to attend the ATOS Annual Convention.
- The Board agreed with Tyler's recommendation.
- Discussion ensued regarding options to better promote the competition to parents and teachers as well as students.

10. Consideration of Promotional Postcard Mailing for 2011 ATOS Annual Convention: (Double, Evans)

- Ken Double expressed the need for a postcard mailing to the ATOS membership promoting convention attendance
- Jim Merry expressed his concerns about changes in the USPS regulations, specifically the costs and regulations regarding postcards.
